

## Committee to deal with university servicing

A committee was set up at a special meeting of council Friday to look into all aspects of the impact the new university will have on St. Albert, particularly in the areas of water, sewer, roads and access to downtown St. Albert.

Members of the committee are Mayor Ray Gibbon, Councillor J. J. Bakker, Councillor Frank Lukay and Councillor R. A. Russell. Councillor John de Bruijn who had been asked to serve on the committee stated that he was forced to decline due to other municipal responsibilities.

It is the intention of the committee to meet with officials of the Municipal District of Sturgeon, the department of education, the Universities Commission and the City of Edmonton.

The committee "will play it by ear" to begin with, said Mayor Gibbon, adding that it may eventually become a committee of the whole council.

In a discussion of the advantages and disadvantages of having the university within town boundaries, Councillor J. J. Bakker expressed the view that there were advantages to be gained with-

out the necessity for incorporating the university into the town.

He pointed out that a large shopping development in the town would not be feasible

until the population is at least 30,000. A university campus does not provide a market for commercial development, he said.

In his opinion, the main

advantage would result from employment within the area and a steady payroll which would have a stabilizing effect on the town's economy. He also pointed out the poss-

ibilities for industrial development which could result from water and sewage facilities which would not have

Cont'd on Page 3

## Town to host EAIDA meet

The Town of St. Albert will host a general meeting of the Edmonton Area Industrial Development Association, Friday, June 5 in the St. Albert Curling Rink Lounge.

Representatives from the association's member towns and municipalities will be on hand to hear guest speaker Hon. A. R. Patrick, minister of mines and minerals, address a noon luncheon. Mayor R. M. Gibbon will act as chairman of the luncheon meeting.

Chairman for the afternoon business session will be M. R. Parker, reeve of the County of Strathcona and chairman of the board of the EAIDA.

Highlight of the morning session will be a tour of Pro-Western Plastics Ltd.

## Chamber seeks Sturgeon develop.

A six-man committee of the St. Albert and District Chamber of Commerce has been formed to discuss with officials of the provincial government and other interested bodies, the establishment of a Sturgeon Valley Development Authority.

This committee hopes to contact representatives from all municipalities and towns through which the Sturgeon River flows as well as the Edmonton Regional Planning Commission, the water resources branch, department of agriculture and organizations such as Ducks Unlimited and the Fish and Game Association.

Development of the Stur-

### Joint - use

Meetings of the Joint-Use Committee and the St. Albert Parks and Recreation Board will be held in the Council Chambers on Tuesday, June 2, the committee meeting at 3:30 p.m. and the board at 4:15 p.m.

These meetings are open to the public and anyone interested in the use and development of the recreational facilities in the town is invited to attend.

geon River and its potential in relation to proposed park and resort areas are of prime concern to the committee.

Chairman Bill Veness reports that although the subject has been more or less lying dormant for some time, much of the groundwork has been done in studying the Big Lake and Sturgeon River areas with regard to development. The committee hopes to have access to an engineering study conducted by the government, findings of which were published in 1969.

Committee members are Rene Kambouroff, Harold Rattai, Jim Oliphant, Bob Russell and Gerry Belke.

The chamber executive has announced that a general meeting to discuss development of the Sturgeon Valley will be held on Tuesday, June 9. The meeting will be open to the public and representatives of the department of agriculture will be on hand to lead discussion and answer questions.

Further plans for the meeting will be announced following the chamber's executive meeting, June 1.

SIR ALEXANDER MACKENZIE STUDENTS  
... air their thoughts on St. Albert's pollution problem

## "Don't just stand there"

"Don't just stand there. Come over here and see the evidence!"

Handling a megaphone like a professional barker, a diminutive blonde grade 9 student at Sir Alexander Mackenzie School encouraged visitors to Grandin Shopper's Park to step right up and "get the picture" on pollution in the Sturgeon River and the St. Albert area.

Eighteen students in language arts class 9-3 have been gathering evidence of pollution over a two-month period. Thursday, they mounted a one-day campaign complete with protest marches, placards and a display of articles which had been picked up from the river and ditches and roadways close to the town.

Their booth set up on the

west side of the shopping centre's parking lot, was constructed completely of materials found abandoned in and around the town. Discarded deepfreeze units served as counters to display various articles such as beer bottles, soft drink cans and tires which had been taken from the Sturgeon River. Exhibits were catalogued and a map was

on display to show where each item had been picked up.

Students pointed out that cans containing gasoline and skidoo oil had been found in the river. A jar half-full of cooking grease had been picked up in the business section close to the river.

A bottle of murky looking liquid was labelled "Clean sparkling water of the Sturgeon River."

"We also found a dead fish," said one of the girls, "but we couldn't keep that to display for obvious reasons."

A display of photographs topped with the caption, "Should our back roads look like this?" provided pictorial evidence of abandoned car bodies and assorted debris which the students had found on field trips outside the town.

Teacher Ted Rogers explained that the project had begun as an exercise in club organization and the conduct of business meetings. The students decided to centre club activities around "something worthwhile," he said, adding that the young people were not attempting to tell adults what to do about pollution, but only to make them aware that it is a real problem in this area.

"Students have organized and run all meetings them-

## Kinsmen banquet well attended

The Kinsmen Club of St. Albert held their annual hockey award's banquet last Sunday with more than 500 boys and fathers attending to hear well-known head table guests and for some to pick-up award crests and trophies.

The Kinsmen went all out in selecting head table per-

sonalities and came up with well-known hockey stars, Roger Bourbonnais, Bruce MacGregor, Bob Falkenberg and Bill Bucyk, brother of Boston Bruin's star John Bucyk.

Other head table guests included sportscaster Brian Hall, Councillor Bob Russell and Edmonton Kinsmen Club

President Fred Windwick, and Dave Stewart chairman of the artificial ice committee for the new arena. Master of ceremonies Bob Forcand was joined by Kinsmen President Tom White.

Trophies and crests were presented as follows:

SHIVERS - Colts coached by Dave Lewis and Steve Popoff were champions of the shavers league. Top scorer was Breen Neeser of the Panthers with 42 goals. Warren Brown of the Colts was top goaltender with a 1.46 goals against average.

MITES - Dick's Warriors coached by Howard Grant, won the mites division, and their goalie Kevin Keith led the league with a 1.18 aver-

## Mayor says thank you

I would like to personally commend the young people of St. Albert for their exceptionally fine co-operation during clean-up week in St. Albert. You kids did a wonderful job and it was extremely good of you to put such energetic and productive effort into Saturday's garbathon. You are to be congratulated on your public spirited action, and our town is proud of you!

Ray Gibbon,  
Mayor of St. Albert.

## RECREATION Hi-Lites

The June schedule which was published in last week's issue of The Gazette will be in operation from Monday next, June 1. It is subject to adjustment depending on programming and attendance. Sessions for teens are being held on Tuesday, Thursday and Saturday evenings and for adults on Monday, Wednesday and Friday evenings.

After the very successful registration held last Saturday there are very few openings left in the classes being held in June. It is expected that after the second registration which is scheduled for Wednesday, May 27, all the classes will be filled. Those disappointed at not being able to register for the June sessions are reminded that classes will be held in July and August and registration for these will take place in June. Diving and mother and pre-schooler lessons will be added to the program at that time.

The St. Albert Swim Club which had a very successful year in 1969 will get underway on Monday, June 1 when there will be a training session from 5:30 - 6:30 p.m. On the same evening there will be a parents' meeting

which will be held in the Clubhouse at 7:30 p.m., anyone interested in competitive swimming is invited to attend. The date for try-outs for the Swim Club will be announced later.

The first Mile Swim of the season will be held on Sunday, June 7 at 9 p.m. Last year this was a very popular test of endurance and many people will be curious about their ability to swim a mile while others will be anxious to improve on last year's time. Registrations for the swim on June 7 are now being taken at the pool and as only a limited number can participate it would be advisable to register early. All it will cost is admission to the pool - either by season ticket or single admission fee. If the mile is finished within a certain time, a crest will be available at a small cost.

### TENNIS:

The St. Albert Tennis Club held a junior tournament on Sunday, May 24. Roberta Parsons won the girls' section and Dave Almond was the winner of the boys' with John Lock second. All those

who participated are to be congratulated.

Sunday, May 31 will see plenty of action once again when the two high schools play for the High School Challenge Cup in the annual tournament. Play starts at 1:30 p.m.

A very successful novelty tournament was held last Wednesday evening. The final winners were Angie Sonntag and Lorne Wood.

On Wednesday, June 3, St. Albert will be at home to the Royal Glenora Club at 6:30 p.m. for the first inter-club game. The top six players on the ladder will form the team which at present consists of Judy Wood, Rita Prowse, Ann Kirk, Dave Kirk, Clark Warren and Lorne Wood. Anyone wishing to be on the team should challenge these players before June 1.

Commencing on June 2, lady members of the club will have the use of the courts on Tuesday mornings from 10:30 a.m. till 12 noon.

## Fencing

Miss Shelley Wilson of St. Albert attended Vancouver, B.C., on the weekend and placed a strong fourth in the Ladies Senior Open Foil class in the first annual Festival of Sports held in conjunction with the Pacific National Fencing Tournament.

Miss Wilson is 14 years old and competed with contestants from Washington, Oregon and British Columbia.

## Boxing

Kevin Jewett of St. Albert travelled to Fort McMurray recently and lost a close decision to a home town boy Randy Young. Kevin was participating in his fourth fight whereas Young has had 15 bouts.

The boys were fighting in the 75-pound class.

## Fastball league

Opening games of the Sturgeon Men's Fastball League saw both St. Albert teams coming up with victories.

Richard Bird was the star of the Drive-In team, hitting a home run and also the winning pitcher as his team defeated Calahoo 8-4. A. Stevenson was the losing pitcher.

The St. Albert Texaco team behind the strong arm of Charlie Garvis, defeated Villeneuve 16-6. Texaco's Rick Richardson socked a home run.

## Soccer

St. Albert Bantams coached by John Dalgety played a strong game last Thursday at the Salisbury Soccer Pitch and scored a 2-0 win over visiting Athlone.

Dave Talby and Willie Grueber were the marksmen for St. Albert and Mike Mulloy was in the net for the shut out.

## Mrs Cameron Heads Golfers

A meeting Tuesday morning of the St. Albert Ladies Golf Club elected Gwen Cameron as president for the new season. Others elected to the executive were Edna Bendera, vice-president; Kay Stadnyk, recording secretary; Pat Christensen, treasurer and games captain, Dorothy Easte, assistant to Pat, and Eileen Gibbon, publicity officer. Past president Irma Harvie remains an executive member.

Ladies day at the course will be Tuesday morning, tee-off time 10 a.m. each week. The time was changed after discussion on ways to encourage more lady golfers to come out on ladies day. A number of the women prefer the earlier time during

the hot weather. Eileen Gibbon suggested that more publicity might help and was promptly given the job!

Both members and non-members are extended a warm welcome to golf on ladies day. Non-members on a green-fee basis. By playing regularly on ladies day, women have a grand opportunity through the season to meet other St. Albert golfers.

There is no need for gals to worry if their calibre of play is far from par standards. This is true of many of the golfers, including beginners in the club. Ladies day golf offers a chance for a good practise session, plus getting to know more local golfers. The club would like all women golfers to make a habit of golfing Tuesday mornings.

## Hercules Soccer

Division A - Falcons 2, Tigers 1; Lions 3, Hawks 1.

Division B - Bombers 3, Rangers 1; Spurs 7, Mustangs 0.

St. Albert Atom all-stars defeated Balwin 4-0 in league play and play the same

club in cup play tomorrow night at Balwin High School on 82 St. and 132 Ave. Scoring for the Atoms were Stewart Giles, Chris Skrobot, Scott Gannon and Brent Belsher. Doug Nixon was in goal for the shut-out.

## Peewee ball

Pirates defeated the Braves 9-3 Monday night with Stephen Lister playing a strong game on the mound and at the plate.

Angels downed the Senators 13-9 with Mike Mitchell the winning pitcher. Chris Krupa hit a home run for the winners.

## bantam ball

### STANDINGS

	W	L	Pts
Twins	8	0	16
Orioles	7	1	14
Cubs	2	6	4
Cardinals	1	7	2
Stampeders	1	2	2
Roughriders	0	3	0

Coach Ed Howorko kept his Twins unbeaten streak alive with a 13-0 victory over the Cardinals. The above standings include May 21 games.

When the star halfback went to the hospital to see his wife and newborn son, he asked to hold the baby. "Not on your life," his wife said firmly. "You fumble too much."

been available to the town otherwise. One of the matters the committee plans to investigate is the installation of a water loop into St. Albert at the time the university site is being serviced.

Councillor R. A. Russell stated that he felt St. Albert should be either part of Edmonton or an arbitrary ultimate size for the town should be set with definite boundaries based on geographic, social and economic factors.

Council agreed to table Councillor Russell's suggestion that a consultant be employed to study the implications of the university's location in relation to the town and the possibility of the town limits being expanded to border the university campus. He stated that this would allow the town to take advantage of the sewer and water facilities at the university site and would facilitate commercial development in downtown St. Alb-

ert. He also suggested that boundaries might be set at the height of land to the north of St. Albert and at Villeneuve to the west. He stated that a consultant would be in a position to advise as to the best decision regarding the establishment of ultimate boundaries for the town to ensure proper planning and development.

"We don't want to make ourselves responsible for providing access to the university," said Councillor John de Bruijn. "If access goes straight down 142 St., the university will be Edmonton-oriented."

Town Planner J. X. Woodroffe stated that it was "an established fact" that St. Albert would be a university town.

"The university will be an integral part of the town," he said, adding that council should adopt a positive attitude toward the opportunities provided by the university's location.

## "Litter critters" really cleaned up

As a fitting climax to "Clean-up Week" in St. Albert, proclaimed by Mayor Ray Gibbon for May 16 to 23, a mammoth Garbathon got under way at 8 a.m. Saturday.

Promoted by the Inter School Christian Fellowship, 35 young people from three town schools and nine adult straw bosses made an all-out effort to give "Mother Earth" a chance. They found she had been sorely abused by the populace of St. Albert.

Concentrating on treed areas, vacant lots, ravines, boulevards and the riverbanks, the garbathoners picked up car windshields, tires, blankets, countless rolls of rusty wire, clothing, the inevitable cardboard cartons, plastic sheets, food, insulation, plus the everlasting paper, tin cans, bottles and broken glass to name just some of the litter.

Beginning in the outer regions of Grandin, Mission, Sturgeon and Braeside and converging in the Grandin Shoppers Park area, the workers kept parks department trucks busy - one crew for 10 1/2 hours, the other for eight.

While more workers would have helped greatly, some 13 truck-loads of junk were collected. No accurate calculation is available to date of the amount of money earned.

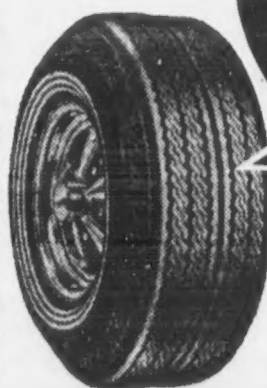

The organizers of the garbathon wish to thank St. Albert citizens who sponsored young people. All monies collected will go toward the Pioneer Camp near Sundre.

A special thank you is also due to the "litter critters." With their energy and desire for a cleaner town, they did a terrific job. They hope you will all help keep it clean.

## Evaluation of Family Life series

Participants in a recent series of family life education programs held in St. Albert have expressed the view that a family life education program would assist families and that if such a program were introduced into St. Albert schools, a family life program for adults should be conducted along with the school program.

The committee of the St. Albert Parish Council who were organizers of the three-part series of programs held in the Parish Hall, with an average weekly attendance of 100, have been studying evaluation sheets filled out by approximately 75 people attending the final lecture. They point out that not all questions were answered on each questionnaire.

Fifty-nine of those who answered a question regarding the introduction of family life education into St. Albert schools were in favor. Two persons expressed opposition. A majority felt that a pilot project should be introduced into schools in Sept. 1971. Sixty-two persons stated that they would be agreeable to having part of their tax dollar spent sponsoring several educators to take special training in family life education.

Opinions differed sharply

on how the course should be fitted into the curriculum, with 38 considering it should be an integral part of the curriculum, 16 favoring its introduction into the religious program and 17 in favor of its being a separate course. There was general agreement that the three agencies -- school, church and family should share responsibility for family life education.

Organizers of the series point out that although 16 out of 70 persons stated they were not in favor of another family life series to be held in the fall, this could be because many people have attended a number of these programs and now feel that the time has come for action.

Nineteen residents of St.

Albert have agreed to serve on an advisory board for family life education.

The committee which organized the series on behalf of the parish council have recommended that one or more educators be sponsored to attend special family life courses this summer. They further recommend that a sub-committee of the parish council education committee be formed to do follow-up work with a view to implementing the wishes of those people who answered the questionnaire.

A final recommendation encourages all interested persons to attend a series to be presented by the Family Life Education Council of Edmonton in St. Albert this fall.

## Lutherans aid world relief

On the afternoon and evening of May 24, several ladies of the St. Albert Lutheran congregation met at the church to sort and pack for shipment about 350 pounds of new and used clothing. This was donated by the community for Lutheran World Relief Day, April 25. The clothing has been shipped to LWB headquarters in Winnipeg, free of charge, through the kind offices of a Lutheran-owned trucking

firm.

A further 150 pounds of clothing was turned over to the Salvation Army to be used locally and a quantity of warm infants' and children's wear is ready for shipment into some needy area in Northern Alberta or the Arctic.

Ladies of the St. Albert Lutheran congregation wish to thank the people of St. Albert who so generously responded to their appeal.

Two camels trudged side by side across the burning sands of the desert. Finally one turned to the other and said: "Darnit, I don't care what they say - I'm thirsty."

## the Gazette REFLECTS

No matter what area of St. Albert they call home, residents could not fail to notice a vast improvement in their environment between sun-up and sun-down last Saturday. Open areas, public roads, fence lines, vacant lots, had been picked clean of a vast and ugly accumulation of debris. What a wonderful effect the one-day face-lifting job had on our town!

It was a hard, dirty job. With no glamour and no fun attached. The boys and girls and the adults who helped them did it because they cared enough to get involved.

YOUR GARBATHON WAS GREAT - JUST SIMPLY GREAT.

## Girls fastball starts

The St. Albert Girls' Softball Association gets under way Thursday with all eight teams participating. Games will be played every Thursday at Grandin 1 - 2 and Sturgeon 12 - 13. Miss Robin Paulin states approximately 120 girls between the ages of 8 - 14 are playing and all eight teams have coaches. Names of the teams will be released shortly.

## Ladies senior fastball

St. Albert Silhouettes started off the 1970 schedule on a winning note as they defeated Winterburn Hawkettes 27-13 and Beverly Heights 22-20. They lost their third game 9-4 against Rosslyn Rockets.

The Silhouettes next game will be tonight at Clarke Stadium #5 against the Cam-sell team.

Tuesday, June 2 sees the Silhouettes play the other St. Albert team (Debs) also at diamond #5 at Clarke Stadium.

age. Darryl Liptak of the Totems was the top scorer with 38 goals and seven assists for 45 points.

**PEEWEE** - Once again the Red Wings, coached by Ray Rix and Art Wells walked off with the peewee division championship. Sandy Millroy of the Fire Department was the top scorer with 28 goals and eight assists for 36 points. Also Glen Turkington of the Fire Department team was the leading goalie with a 1.66 average.

The Red Wings also captured the Sturgeon Valley trophy competing in a round robin tournament, which included teams from St. Albert and district.

**BANTAMS** - Coach Reg Kotch led his Co-op team to the bantam championship. Dennis Boudreau of the Co-op team was the leading scorer with 15 goals and nine assists for 24 points. Carey Winkquist of the Stedebauer team walked off with

the top goalie award posting a 1.69 average.

David Grice and Doug Walin of the championship Co-op team made a special appreciation award to coaches Reg Kotch and Gordon McBroom.

**MIDGETS** - The two mid-get teams, Wildcat Transport and Texaco Bruins competed in the Highway 16 league but failed to come up with any trophies. Coach Harry Bellerose presented a plaque to Bud Berg for the use of his bus in transporting the teams to their games. A plaque will also be given to Wildcat Transport.

Dave Stewart of the Ice arena committee, indicated an ice plant would be available for the new arena.

All in all it was a most enjoyable event and a lot of credit has to go to Kinsmen members, Erling Winkquist, Bob Forcand, Elroy Haight, and many others who contributed to the success of the 1969-70 hockey season.

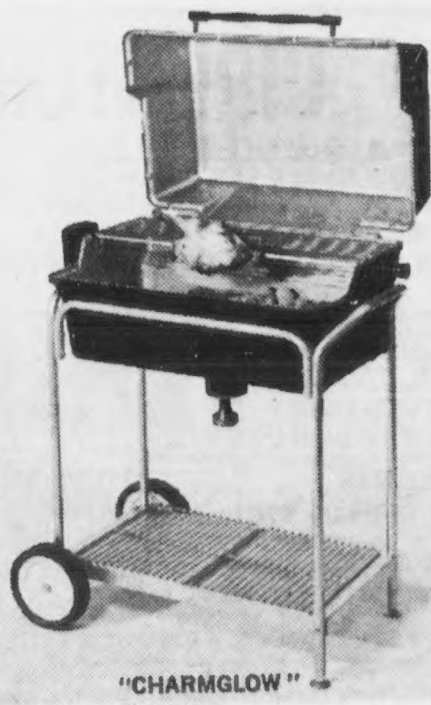

Ray Rix of the champion Red Wings receives peewee trophy from Roger Bourbonnais.

Detroit Red Wing star Bruce MacGregor presents top goaltending trophy to Carey Winkquist with proud father looking on.

The Pilsner label raises many exciting questions. But there's never any question about Pilsner Beer. In Lethbridge, it's still made by men who take time to brew and age beer in the traditional way. We're not about to change either: the label or the beer.

AFTER THE FAMOUS FORMULA OF THE HOUSE OF LETHBRIDGE

# Around Town

The St. Albert High students who designed the invitation cards for this year's junior prom did a terrific job. The deep blue card with aquarius zodiac sign set in, and fine lettered wording is most artistic and effective.

The St. Albert Catholic Women's League will hold its third annual spring rummage sale in the United Church basement on Saturday, May 30 from 10 a.m. to 4 p.m. Donations for this sale can be left at the parish hall or for pick-up, call Mrs. M. Moran at 599-8873.

The regular monthly CWL meeting will be held on Monday, June 1 at 8 p.m. in the parish meeting room. There will be report on the visiting being done at the Alberta Government Hospital given at this meeting and a proposed program for the year will be outlined and finalized.

Members are reminded of the pre-summer social which will be held with St. Angela's Council at the Club Mocombo on Wednesday, June 10. For further information and tickets please contact Mrs. O'Kell at 599-7142.

Mrs. K. Oddleifson was named president of the Marguerite d'Youville Ladies Auxiliary at the May meeting. Other executive mem-

bers are: Mrs. R. Brunelle, vice president; Miss C. L'Abbe, secretary; Miss M. Wolniewicz, treasurer.

It was decided to hold the bazaar, Oct. 25, 1970. All members are reminded to attend their workshops.

Mr and Mrs Norman Freiberg of 23 Gainsborough Ave. are entertaining Mr. Freiberg's parents from Mulheim Ruhr, West Germany. Mr. Freiberg's parents are going on to visit a daughter in Vancouver and returning to Edmonton in August.

Draw for the Breakfast Lions Club boat and trailer will be made Saturday, May 30. Mr. Jim Byrne, manager Grandin Park, will draw the lucky ticket at 8:30 p.m. in Grandin Shoppers Park. Get your ticket from Hutchings Shoes, Emery's Pipe Shop or Grandin Shell Service.

Students and adults who took part in last Saturday's Garbathon noted that their task would have been lightened considerably if better garbage containers were provided around the town. Special mention was made of containers at Grandin Shoppers Park and the Klondike Inn where the wind was blowing litter away when the cans were only about one-third full.

# Diamond wedding celebration

St. Albert and Sturgeon Gazette

Father Denis Hebert, missionary in Lima, Peru, was in St. Albert May 17 to officiate at a special mass in celebration of his parents' diamond wedding anniversary. Mass was held at St. Joseph's Seminary.

All 14 children of Mr. and Mrs. Rosaire Hebert of St. Albert, formerly of Villeneuve, were on hand for the occasion. Assisting at the ceremony in which Mr. and Mrs. Hebert reaffirmed their marriage vows was the couple's nephew, Rev. Roger Hebert of the Star of the North Retreat House.

Attendants were Mr. and Mrs. Joseph Meunier of Morinville. Mrs. Meunier, Mr. Hebert's sister, had been bridesmaid at their wedding.

Following mass, a reception for 160 friends and relatives was held in the St. Albert Community Hall. Later in the day, a private supper for 110 family members was held.

Both Mr. and Mrs. Hebert are pioneers of this area. Mrs. Hebert, the former Marie Loiselle of Easterford, Quebec, came to St. Albert when she was six years old. She recalls that in those days, St. Albert's business section consisted of two stores, one on each side of the bridge, two hotels and the post office.

The Hebert family moved to the Villeneuve area from St. Michele Yamaska, Quebec, in 1894. A brother had come earlier and started farming in the area.

"We had 15 acres broken out of a quarter section," said Mr. Hebert. "There was a small house and a sod barn."

Following their marriage, Mr. and Mrs. Hebert lived on the family's farm at Villeneuve.

The Heberts recall coming from Villeneuve to attend mass at the Roman Catholic Church in St. Albert.

"Before the church was finished, we used to have mass in the basement," said Mr. Hebert. Both were well acquainted with Father

Albert Lacombe and Bishop Grandin.

Recalling early days at Villeneuve, they said that people were very neighborly.

"And with 14 children, it was never lonely on the farm," said Mrs. Hebert.

The Hebert children all attended school at Villeneuve. "The same little mare used to take the children to school in the cutter for 21 years," said Mrs. Hebert. "She could have found her way there blindfolded."

When their family was grown, Mr. and Mrs. Hebert moved to Edmonton in 1955. In 1963, the couple moved to the Youville Home in St. Albert.

Mr. and Mrs. Hebert have eight sons and six daughters. They are: Walter and Robert of St. Albert; Lawrence, Etienne and Honore of Edmonton; Elphege and Prosper of Guy, Alta.; Father Denis of Lima, Peru; Mrs. E. Leblanc (Marie-Claire) of St. Albert; Mrs. A. Durocher (Isola) and Mrs. Albert Lesbert (Odele) of Villeneuve; Mrs. Paul Farley (Therese) and Sister Yvette Hebert of

# K of C honour Chris McDonnell

Chris McDonnell, secretary-treasurer of St. Albert School District No. 3 was one of the Knights of Columbus who was honored on Wednesday, May 20 for having spent 25 years of continuous membership in the order. Chris joined the Knights in 1934 but during the "dirty thirties" \$1.25 per month required for membership dues was needed more for

groceries, so consequently his membership lapsed for five years. He was reinstated in 1944 and has continued as a member in good standing ever since.

He was appointed financial secretary of the Edmonton Council No. 1184 in 1945, an office which he held for more than two years. Chris was born and raised in the St. Albert community. His

parents are numbered amongst the old timers in the St. Albert and Nampa districts. He was baptised, made his first communion in the St. Albert Church and was later confirmed here by the late Monsignor Pilon. He attended Mass here with his family prior to taking up residence in Edmonton.

Chris was prominent in sports activities, having

played hockey and baseball for many years. He umpired the first baseball tournament held in St. Albert in 1938, after having been a member of the McDonnell Miners Hockey team when they won the Northern Alberta intermediate hockey championship in 1931. With his father and brothers he helped to open the McDonnell Coal Mine in 1928 and later was app-

ointed accountant and sales-manager. After the property was leased to the MacKay Coal Company, Chris joined the staff of Dittich Men's Shop as accountant and credit manager.

In 1947 he was elected president of Edmonton Credit Granters Association and was appointed as a member of the board of directors of the Edmonton Credit Bureau. He was appointed to the Legislative Committee of the International Credit Grant-

ers Association in 1948.

In 1957 he was appointed assistant secretary treasurer for Sturgeon School Division No. 24. When St. Albert School District No. 3 was established Mr. McDonnell was appointed as secretary treasurer and has held this office since that time.

Traveller: "Where does this train go?"

Attendant: "It goes to Montreal in 10 minutes."

Traveller: "Goodness! That's faster than by jet."

## M.D. Council Briefs

Council authorized the assessor on April 16 to assess the AGT building at Namao Air Base. Amount will be approximately \$25,000. Membership in the good roads association, at a fee of \$50 annually, will not be renewed by the municipality this year.

Mr. Russell McKinney, director of the Edmonton Area Industrial Development Association met with councillors. He spoke briefly on the requisition to municipal authorities on the basis of 20¢ per capita.

Dr. Howell was unable to attend the meeting but a letter from him was read by the secretary at the meeting, explaining the reasons for the increase on the per capita basis of the Sturgeon Health Unit requisition for 1970-71. The annual report of the Sturgeon Health Unit was also briefly reviewed. Copies of such a report were given to each councillor.

Full tenders from Texaco, Gulf Oil and Imperial Oil were considered and Texaco was accepted for a three-

year contract for fuel, gas and oil.

Secretary Nobert and two councillors will attend the advanced refresher course for municipal secretary-treasurer in Banff, June 8-10.

A letter from the Edmonton Beekeeper's Association was read, requesting council to prevent the spraying of shallow bodies of water in ditches for mosquitoes, as it endangers the lives of beneficial insects.

Council heard a report on fire losses in the M.D. for period ending Dec. 31, 1969. Total rural fire losses were \$5,675. These were from 10 fires to vehicles and trailers and 24 others.

A PFA report indicated that river lot 69, St. Albert settlement, is ineligible for assistance.

Letter from Mrs. William Goglerla was read at the meeting indicating that the people were dumping on the municipal road and also on the Martel Nuisance Ground

PT. S.W. 1-54-24-4. She stated that it was in a deplorable condition. She further stated that it was very dangerous because some people were using this as a target range. Council authorized the superintendent of public works to have the said mess

cleaned up on the road allowance and obtain a right of entry for Mr. Martel and have a certain area cleaned on his property. After said work is done the necessary "No Dump" signs will be erected with a penalty of infraction posted in accordance with the new municipal by-law.

## MALOWANY'S GARAGE

REDWATER, ALBERTA

P-370C

Mayor Ray Gibbon hands Kinsmen President Tom White a cheque after a lively auction for a car cushion which the mayor got for \$7.55. The cushion was a door prize donated by St. Albert Texaco and drawn by Gary Hodgins at the dinner for businessmen hosted by the St. Albert Kinsmen Monday evening at La Cava. Gary turned it back to the Kinsmen for auction. The evening featured a talk by District Governor Don Sinclair on kin activity and a film on oil exploration showed by Past President Bill Hite. Northwestern Utilities donated a handsome spice rack door prize which was won by Ernie Jamison. A social hour (or 2 or ?) completed the evening with bridge and cribbage.

#### NEWCOMERS

We welcome the following to St. Albert:

Mr. and Mrs. B. Mayo, Mr. and Mrs. V. G. Johnson and family; and Mr. and Mrs. D. W. Anderson and family of the Sturgeon

Heights district.

Mr. and Mrs. H. J. McPherson of the new Braeside district and Mr. and Mrs. D. Kerr of the Grandin Park district.

## 4 perfect hands dealt at bridge

Four perfect hands of bridge were dealt recently at St. Joseph Cathedral Parish Hall, Edmonton, to four well-known citizens of the district.

The following are the names and addresses of the four players:

Mrs. Jeanne Behells (Courchene) formerly of St. Albert and Morinville, now residing at #14, 10015117 St. Edmonton; Mrs. Michelle Dion, 11356 102 Ave., also well known in the district; Zeph Tellier, 11356 102 Ave. formerly of Morinville; Louis Patry, 15903 86 Ave.,

(Oscar Patry's brother).

The cards were shuffled by Mr. Patry, cut by Mrs. Behells and distributed by Zeph Tellier. Net results were as follows:-

Zeph Tellier had 13 diamonds - his bid, 7 diamonds. Mr. Patry held 13 spades, and bid 7 spades. Mrs. Dion held 13 hearts and passed, so did Mrs. Behells who held 13 clubs. Mr. Patry laid his 13 spades on the table and claimed a grand slam. The averages are once in 62,000,000,000 years but it happened to these well known citizens from the district.

## The Old Chief Has that Magic Still

A capacity crowd of Conservatives from throughout Alberta filled the banquet hall at the Chateau Lacombe to hear John Diefenbaker Saturday evening.

And the old chief didn't disappoint them. Introduced by Steve Paproski, Edmonton MLA, he showed once again his own brand of magic in captivating an audience.

From international issues to Canadian history, to a side swipe at Dalton Camp which drew a roar of laughter from his audience, Mr. Diefenbaker was in fine form. Nor did he neglect to take

credit for the Conservatives when in power, for selling all the wheat the West produced. At the conclusion of his address he received a standing ovation from his delighted audience.

Mrs. Diefenbaker was presented with a Hudson Bay car coat and Mr. Diefenbaker with a pair of dress cowboy boots.

On Sunday they were guests at the Jubilee Auditorium when Mr. Diefenbaker was the main speaker on the occasion of the Hudson Bay Company's 300 anniversary celebration. His subject was "The Fourth Century."

When Judy returned from her first day at school she remarked casually: "Mother I told my teacher that you threw the hairbrush at Daddy this morning."

"Why on earth did you tell her that?" asked her mother in horror.

"Well, she didn't know about it," Judy replied.

Notice over a bottle rack at a soft drink machine: "Test your I.Q. Put the little round empty bottle into the little square hole."

## Ringuette-Pelletier wedding

Legal's St. Emile's church was the scene of a beautiful spring wedding when Colette Pelletier exchanged marriage vows with Paul Ringuette. Colette is the daughter of Mr. and Mrs. Paul Pelletier from Legal and Paul is the son of Mr. and Mrs. Henry

Ringuette from Vimy.

Father Martineau celebrated mass before an altar banked with baskets of spring flowers. Soloist was Nicole Cyr, organist was Sister Corriveau.

Given away in marriage by her father the attractive bride chose a formal gown of french crepe with elbow length ruffled sleeves. The bodice, slim skirt and train were softly applique with pearl beaded chantilly lace. Her mist of illusion veil was held by a crown of aurora borealis crystal. She carried a bouquet of red roses.

Bridesmaids Lorraine Pelletier, sister of the bride Therese Ringuette and charming petite Michelle Pelletier flower-girl wore identical floor length gowns in a raspberry pink peau de sole empire line with elbow length bell sleeves. A matching bow adorned their modern coiffures. They carried nosegays of white and pink roses while Michelle carried

a basket of baby white and pink roses.

The groom's attendants were Denis Chenard and Philippe Poirier. Master Noel Pelletier was ringbearer. Ushers were Lucien Pelletier and Leo Ringuette.

Leonard Blanchette was master of ceremonies for the reception and dance held at the Vimy Community Hall for some 150 guests. Richard de Champlain proposed the toast to the bride.

For her daughter's wedding Mrs. Pelletier chose a sugar pink dress with three quarter length ruffled sleeves complimented by a corsage of pink roses and matching white accessories. Mrs. Ringuette wore a creme fortrel dress with matching accessories and pink roses en corsage.

The mother of the bride is to be commended for making all the flowers and corsages for the wedding party.

The happy couple will reside in Vimy.

## Bon Accord council

The regular meeting of Bon Accord council was held on May 13 at 7:40 p.m.

The public works foreman authorized the oiling of streets to control dust.

A fire hydrant is to be installed in the vicinity of the community centre.

Calgary Power will be asked to install five more street lights.

Because of water pressure in the village, dwellers are being asked to use alternate days for watering gardens and lawns. Residents on north and east sides of

streets and avenues are asked to water on the odd-numbered days of the month and those on the south and west sides of streets and avenues on the even-numbered days of the month.

The water and sewer services are to be extended to the subdivision namely Block 2, Plan 2207.

The secretary was asked to send letters to those persons with unsightly premises asking that they have same cleaned up. Besides being unsightly, they constitute a fire hazard.

## Shower for Louise Craig

Morinville and district complimented Miss Louise Craig, daughter of Mr. and Mrs. Albert Craig of Morinville recently, with a miscellaneous bridal shower in the Morinville Centre. Some 150 ladies were present.

Hosted by Mrs. Claudette Turgeon and Mrs. Ruby Bokenfohr, a very entertaining evening was enjoyed by all present.

Entering the hall Miss Craig accompanied by her mother, and Mrs. Stanley Pasay of Redwater, greeter her grandmother, Mrs. L. Forcade of Legal and her sisters, Miss Rita and Miss Constance Craig and Miss Rosemary Pasay.

Lucky ladies during the game session were Mrs. Aline Boissonnault, Mrs. Rhonda Stapleton, Mrs. Marguerite Rousseau, Miss Donna Maria Martel, Miss Vivian Lapointe, Miss Donna Vranas, Mrs. Zelia McDonald, Mrs. Joan Soetaert, Miss Celine Beland, Miss Lorraine Boissonnault, Mrs. Lucille Houle, Miss Dolores Forcade, Mrs. Anne Marie Lebonite, Mrs. Cecile LePage, Miss Dianne Falls, Miss Rosemary Pasay and Mrs. Sharon Yolland.

Miss Craig will become the bride of Dennis Pasay of Redwater on June 6 in an afternoon church ceremony in Morinville.

## Gibbons council

The regular meeting of the council of the Village of Gibbons was held in the village office Wednesday, May 13.

Russell H. McKinnely from the Edmonton Area Industrial Development Office attended the meeting to discuss points of interest from his office and to acquaint himself with council members.

Ken McAmmond and Don Bevington came to the meeting to discuss the location of a new nuisance grounds. Don Bevington and Joe Mabbutt will visit some locations in the neighborhood. Another possible solution would be to haul to the Bon Accord dump and pay a yearly caretaking fee.

The block of curbing to be done this year will be the west side and possibly all of First Avenue from Main Street to First Street South.

Council voted to hold clean up day May 30 with the usual wiener roast to follow. All pick-up truck owners are asked to bring them along.

Council directed the secretary to notify Calgary Power of the location of new street lights to be installed this year.

It was agreed that a man from Electrical Industries should be asked to come out and look over various pumps in use.

Installation of meters was

discussed and the secretary was asked to get prices of meters and installation costs. Council agreed that Main Street should be sacrificed and gravelled to make ready for oiling. A soft portion will be dug out and repacked. Very few people have purchased their dog licences this year and starting June 1 stray dogs (those without licences) will be picked up and treated as such. Dogs running loose with a licence will be held and their owner issued a violation tag and fined for this offence.

As two requisitions have not been received, the budget has not been completed.

The Morinville Drum and Bugle Band, community sponsored, recently received a bonus of over \$904 when a group of volunteers from Morinville sponsored a March for Music. Shown above in their new white costume dress with blue and red trim and red pill-box hats are the gold tassels, are six members of the band twirlers. From left to right: Donna Griskow, 10 years; Patricia White, 11 years; Denise Rippe, 9 years; Brenda Vranas, 14 years; Michelle Dubord, 10 years; and Lorraine Rippe, 11 years. There are a total of 42 students in the local band, who will make their formal debut in the Morinville Frontier Daze parade June 27. Already invitations have been received for the group to perform at the Fete au Village in Legal and Thorhild Rodeo Days.

week you can see lanky lawyer Dick Wheatley with a tall blonde on the other, doing the butterfly with considerable gusto. Or the Health Unit's Dr. Howell, relaxing through the five tunes but leaning with Mrs. Howell to demonstrate how the smoothies do it in the easy tempo numbers. Genial M.D. Councillor Jack Harold was dividing his time between dancing and spreading the word about the coming Fly-in at his farm in Namao district. St. Albert's Jim and Gerry Byrne responded to public congratulations on their 34th wedding anniversary, by leading off most graciously in the "Anniversary Waltz." For the terrific stamina it had to be a toss-up between Reeve Lawrence Kluthe and Dr. Fin Fairfield, both of whom were twirling and jiving with just as much alacrity at the end of the evening as they were at the start. It was that kind of a night at the hospital

auxiliary's blossom ball!

## Female Help Wanted

TEACHER AIDES AND SCHOOL AIDES REQUIRED:  
2 full time teacher aides to assist in library, clerical and audio visual aids equipment operation.

## Namoo news

The Namoo 4-H Buttons and Bows Clothing Club held its annual achievement night on May 12 in the Namoo Community Hall. The members displayed their projects and presented their program around their Hawaiian theme. Lela were given to each visitor as he was welcomed at the door. After the program and the judge's comments the year's awards were presented.

Colette Forest received the efficiency award donated by the Namoo Community League. The Haplette Club donated the public speaking award which was won by Janice Crozier. Audrey Gibson received the best demonstration award donated by Arden-Aire Trailers.

Colette Forest was the winner of the award donated for the most professional looking garment by Mrs. Marilyn Robertson. Louise Huber won the award for the best project book donated by Mrs. Betty Samis. There was a tie between Debbie Rye and Anna Huber for the best first year member award donated by Mrs. Mary Forest.

Audrey Gibson was named Miss Buttons and Bows 1970 by last year's winner, Colette Forest.

Peggy Huff's project book qualified for provincial competitions and was taken by the judge, Miss Marshall of the department of youth's summer staff.

The cake raffle was won by Mrs. Jim Ward. The members would like to thank all those who helped them during the year.

A large shower was held on May 5 in the Namoo Community Hall in honor of Miss

Norma Rigney, bride-elect of Melvin Clark, R. R. 2 St. Albert.

Congratulations of the district are extended to Mr. and Mrs. Ken Siglart, former residents of Namoo, upon the birth of their first daughter Kerri Lee, 7 pounds, 4 oz.

## Card of Thanks

COLLECTED \$1,415.00

I would like to thank the people for their generous donations and their time for the Winnifred Stewart School Blitz. Anyone still wishing to donate can phone 599-7184 for it to be picked up and directed to the school where a receipt for Income tax deducted will be issued from the main school.

## Who is an Alberta Junior Citizen of the Year?

Anyone between the ages of 6 and 16 who has been nominated for courage, leadership, initiative and good citizenship can win a coveted Alberta Junior Citizen of the Year Award. The act for which they are nominated must have been performed between August 1st, 1969 and July 31st, 1970.

A winner in 1969 was Lorne Trotter, aged 15, who overcame the physical handicap of polio to lead his community's Walkathon to raise funds for the Canadian Legion - and after completing the 25-mile walk Lorne, who has a pin in his ankle and a fused vertebra, went to a celebration dance.

Use this handy form, or write or phone your local weekly newspaper editor. Please send full details on a separate sheet of paper.

## Lions band seeks new members

St. Albert adults, junior high and high school students who like to "blow their own horn" -- or who can play any instrument -- are being invited to submit applications for membership in the St. Albert Lions Community Band.

Registration forms will be circulated to the schools and will also be available at Emery's Pipe Shop. Anyone interested in joining the band is asked to return a completed registration form either to the Pipe Shop or to the school principal no

later than June 10.

The St. Albert Lions Breakfast Club who are sponsoring the band hope that both a marching band and a concert band will be formed. In the case of students, an attempt will be made to arrange high school credits in music for those requiring them.

Rehearsals are proposed for every Monday, 7:30 to 9:30 p.m., at Leo Nicker-

son School music room. Proposed fee is \$1 per month. It is hoped that a special introductory program for beginners will be conducted over the summer months and also a brushing-up program if there is sufficient enrollment.

The Lions have announced that Mr. Jerry Wennes has been engaged as band master.

## Visitors from West Germany

Two women from West Germany who had not met previously were brought together this month by their respective families in St. Albert.

Mrs. Magdalena Reinke of Bad-pyrmont, West Germany, had made plans to visit her son and daughter-in-law, Mr. and Mrs. Wilfred Reinke and family of 20 Grandville Avenue. The Reinke's mentioned the trip to friends Mr. and Mrs. Bert Sonntag of 75 Grandora Crescent, who decided to make arrangements for Mr. Sonntag's mother, Mrs. Edith Sonntag of Essen, West Germany to join Mrs. Reinke on their trip.

The two women travelled from West Germany to Amsterdam by bus, where they boarded their flight for Edmonton.

Mrs. Reinke and Mrs. Sonntag will return to Germany Aug. 12. Both their families have been residents of St. Albert for the past nine years and became friendly through the St. Albert Tennis Club.

## Bible celebrated

A new Bible Study Fellowship is being launched in St. Albert June 1 under the sponsorship of the Dovercourt Baptist Church of Edmonton.

The initial session will be this Monday at 8 p.m. in the home of Mr. and Mrs. A. M. Dolan of 33 Springfield Cres.

Pastor Herb Giffin will lead this Bible hour, beginning with a series of 13

studies in the New Testament Epistle of the Apostle Paul to the Ephesians. The format will be informal and conversational, encouraging open discussion and question-answer dialogue.

The Bible study fellowship is open to any interested adult or teen-ager in the St. Albert area. Coffee will be served by the hostess. For further information, call 455-0246 or 599-7470.

## Hospital Ball A Big Success

of nurses.

Couples from throughout the hospital district, including many from St. Albert, enjoyed a lively evening of

dancing to the music of the Golden Allos, and as one of the official guests commented -- the auxiliary really "had a ball."

## Square dance club ends fine season

The Saints and Sinners Square Dance Club ended a successful season of square dancing on Saturday night, May 23, at Sir Alexander Mackenzie school. The appearance of the auditorium, which had been decorated for the Grade 9 Prom, added in no small measure, to the enjoyment of the evening. The Grade 8 students under the direction of Mrs. Pomfrey and Mrs. Shaw, were responsible for the imaginative and beautiful effect achieved and they are to be commended for their efforts.

Fifteen squares spent an evening of dancing smooched by Syd Deguire, with guest callers Morris Track, Frank Dorwood and Graham Ford, a strawberry shortcake lunch topped off the evening.

The Saints and Sinners are pleased to announce that they are arranging to provide for square dancing at the Kinsmen Rodeo - Friday evening, Saturday afternoon and evening. All square dancers are welcome to participate.

The next season of dancing commences on Sept. 19.

Rudy Schelbalhofer, sponsor of the St. Albert Willowbrook Saints throws out the first ball to the Calmar lead-off batter.

## Saints open season with 7-4 victory

St. Albert Willowbrook Saints opened the 1970 Oilfield Baseball League with a 7-4 win over Calmar Cubs in an interlocking game.

The Saints started off badly making three errors to allow the Cubs to take a four run lead in the third inning. St. Albert came back with one run in the fourth and three in the sixth to tie the game 4-4.

Ray McMillan singled home two runs in the seventh and also scored on an error

for the winning run in the 7-4 victory.

Rich Perrault scored three runs and Ray McMillan had three singles and three R.B.I. for the Saints. The ever-dangerous Chester Cunningham had two hits.

Fred Resler started out pitching for St. Albert and allowed four runs on three hits and three errors. Bud Pytluk came on in relief in the fourth and allowed only one hit in blanking the Cubs. He was the winning pitcher.

St. Albert plays Winterburn tonight at Mission Park. Game time is 6:30 p.m.

## Successful fish derby

The St. Albert and District Fish and Game Association held a fishing derby on the long weekend, May 16 to 18, at Long Lake Provincial Park.

Approximately 50 family and single entries were received from as far away as Calgary and as close as Abee.

Prizes were awarded as follows: largest pickerel - Roger Broadwell of Calgary and Brian Husband of Edmonton; largest pike - Terry Stroh, Brian Robertson and Alex Dutka, all of Edmonton; largest perch - Gordon Stretch of Edmonton.

A prize was also awarded to Rick Lemieux of St. Albert for a surprise catch of a lake whitefish.

A horseshoe tournament was held Sunday afternoon in spite of high winds.

Winners were Fred and Gordon Adams of Edmonton. Each received a prize.

The St. Albert and District Fish and Game Association would like to thank all residents in this area who took part in the derby.

## Break-in at Vital Grandin

Approximately \$50 was stolen from the principal's office at Vital Grandin school early Wednesday morning, May 20.

RCMP report that the two youths responsible for the break-in were apprehended later the same night by Edmonton city police while attempting to gain entry to a building in Edmonton. The boys, 16 and 17, were both Edmonton residents.

The \$50 was recovered. RCMP also report two cases of petty theft occurred over the weekend, when automobiles parked at an apartment block at 6 Gainsborough Avenue were broken into.

# PC's discuss white paper

About 40 people including a group from St. Albert, attended the annual meeting of the West End Progressive Conservative Association Monday evening, presided over by President Elmer Abele.

Nominating chairman recommended that the existing slate of officers be retained, as the volume of work between elections was not onerous, and his recommendation was adopted by the meeting. Officers are President Abele, secretary Marian Hyde, treasurer Paul Norris.

A discussion took place on ways and means of arranging nominating conventions and whether some changes should be made. Mr. Doug Matheson provided copies of a two-point proposal under consideration. Point one was a suggestion that any person wishing to run for election serve notice in writing to the secretary 14 days before nomination day. The meeting felt that since an election could be called on 39 days notice this require-

ment was too severe. The second point considered was the only persons entitled to vote at a nominating convention be those whose names appear in an official register as paid-up members, with such register to be closed two days in advance of nomination day. The meeting felt that the association had not experienced credential problems in the past, using driver's licenses or similar identification satisfactorily. It was decided to send the proposals back to the executive for further review.

Marcel Lambert MP gave a short report on his work over the past year. He is financial critic for the federal Conservatives and pointed out that 40 per cent of this year's throne speech dealt with financial matters. He had four good men assisting with his work on the white paper, and emphasized the need for top calibre candidates to be chosen for good representation in Ottawa. He felt also that MPs were burdened with too many official

openings and similar tasks, and needed more time for committee work and research. He mentioned also that a series of talks given by him at various high schools in the riding had proved very worthwhile.

In these sessions with the students, his aim was to improve their knowledge of the workings of parliament, and partisan politics was not involved. Mr. Lambert has already made 80 commitments to speak to high schools next year and noted that other MPs were starting similar programs.

President Abele introduced Bill McMullen, chartered accountant, who gave the meeting a studied analysis on the white paper and the effects it will have on individuals. He also noted areas where he believes the paper will be changed, and felt that the governments view that the tax changes would become effective in January of 1971, might be optimistic. Mr. McMullen answered questions following his talk.

A long-time worker for the West End Association, Mrs. Laurie Smart, was presented with a framed picture of the Edmonton river valley by the executive, and a beautiful bouquet of red roses by Mr. Lambert. Mrs. Smart will be leaving with her husband to take up residence in New Zealand.

During the coffee period that followed the meeting both Mr. McMullen and Mr. Lambert made themselves available to answer further questions from those present.

Manse visitor: Does your father ever preach the same sermon twice?

Pastor's child: I think so, but he talks loud and soft in different places so it doesn't sound the same.

# fellowship Union Sunday

If you are wondering what church union is all about, then come to the United Church this Sunday, May 31. Anglicans and United Church families will have the opportunity to participate in a service of prayer for union.

"Union Sunday" came about as a result of parishes wanting to know more about each other's form of worship and it was felt this would be one way of getting to know each other.

As Rev. Len Musto, minister of the United Church said "A marriage doesn't occur without a courtship."

Rev. Dr. T. L. Leadbeater of Holy Trinity Anglican Church will be officiating minister. Dr. Leadbeater who was ordained 32 years ago has long been an advocate of union between the Anglican and United Churches.

As far back as 1935, he was practising his own form of church union in Togo, where he would take in Anglican service in the morning and a United Church service in the evening.

He did the same thing a few years later at Tuxford, Sask., and there he held joint Anglican and United Church services.

The service Sunday morning will be a combined Anglican-

can and United Church order of service. Mrs. Lillian Upright, choir leader for the United Church would be very pleased to have Anglican choir members participate

In the service. Choir practice will be held Thursday evening at 7:30 p.m. in the United Church lower hall. Coffee will be served after the service.
